Announcing the Termination of Sales of the Optical Connector Cleaner OPTIPOP C

Dear Valued Customers,

Thank you very much for your continued patronage of our products.

This letter serves as a formal notification that NTT Advanced Technology Corporation is discontinuing the OPTIPOP C card type cleaner. We will continue to sell the OPTIPOP CS replacement cleaning card for OPTIPOP C until further notice. Please consider using our reel type cleaners that can clean more than 400 times, and our pen type cleaners which can clean both plugs and adapters as an alternative.

We would like to request that you circulate this guidance to any affected departments within your company that may need to be contacted with this information. We are truly sorry for any inconvenience this may cause.

Best Regards
